Lincoln Digital Family Night
August 25, 2020

Seattle Public Schools is committed to making its online information accessible and usable to all people, regardless of ability or technology. Meeting web accessibility guidelines and standards is an ongoing process that we are consistently working to improve.

While Seattle Public Schools endeavors to only post documents optimized for accessibility, due to the nature and complexity of some documents, an accessible version of the document may not be available. In these limited circumstances, the District will provide equally effective alternate access.

For questions and more information about this document, please contact the following:

Choosing a Laptop & Paperwork

*All students need a laptop for school every day*

There are two laptop options available to students outlined below: SPS or BYOD. (See 8/18 email and Lincoln website for specifications)

**ONCE DECIDED ALL STUDENTS MUST** complete the 2020-2021 Student Laptop Agreement: https://tinyurl.com/yy2nj99h.

If you were issued a laptop from your previous school. Please return it with the charger prior to obtaining their laptop on distribution.
If you are participating in the BYOD Program, you won’t come to laptop distribution.
More specific technology information can be found on the family email that was sent 8/18/2020. Also posted on our website.

Culture Guide

The Culture Guide shapes our core values and beliefs

Our 2020-2021 Culture Guide is coming soon

Our Culture Guide will provide guidance to key policies and procedures

The Culture Guide will be reviewed with students in Mentorship
Attendance Guidelines

Daily attendance is important!

- Attendance during remote learning focuses on engagement.

- When a student is not engaging in any way, it tells us something different than when a student is engaging or attempting to engage; a student who is not engaging at all requires a different response from school staff.

- The rule does not change the definition of in-person absence.

- The State Office of Education provides examples of what student participation could look like in order to be counted as present, including, but not limited to:
  
  • Daily logins to learning management systems;
  
  • Daily interactions with teacher(s) to acknowledge attendance (including messages, emails, phone calls, or video chats); or
  
  • Evidence of participation in a task or assignment. Student presence is determined by engaging in planned synchronous or asynchronous activities.

Setting the Stage for Success!

- Prepare for academic success! Plan to every class on time and ready to engage and learn.

We encourage families to:
- Create a space in your home for students to attend school
- Help your student know their schedule and due dates
- Keep laptop charged and ready to go.
- Have access to a web camera for classes
- Access Schoology daily and make a weekly plan for school work
- Be mindful of digital citizenship. Lincoln Proud!
- Connect! Look for more information about clubs, activities, athletics, supports, and school culture.

The Health Center is staffed full time by a Nurse Practitioner, Mental Health Therapist, and Health Center Coordinator providing all the services (and more) that your family doctor provides in a teen-friendly setting. Families must complete the registration form to access the services:

- Evaluation and treatment of common health problems
- Sports physicals and routine check-ups
- Preventive health care
- Reproductive health care
- Health education
- Immunizations
- Individual and group therapy
- Coordination of care with community health care providers
- Crisis intervention
- Community & school-based referrals

Supporting Social Emotional Health

Mentorship is held every Wednesday. For the first 10 school days, a shorter mentorship will be held at the beginning of the day.

Mentorship is about Connection and Community. At Lincoln, it is a place to:

- Facilitate the creation of healthy relationships that support students feeling safe and connected at school
- Create space for students to address issues of concern
- Provide academic support and guidance
- Communication of updates, announcements and other information

All students are assigned to grade-specific mentorships and a multi-grade house.

Learn with Passion. Act with Courage. Improve the World
Lynx Crew

Lynx Crew is a program similar to WEB where incoming freshmen are mentored by 10th and 11th grade students throughout their freshman year.

Lynx Crew mentors will spend 2 hours with freshmen on the morning of the 4th in a small group format and will then check in with them during every mentorship after that.

Their job is peer mentor support

Activities, Athletics and Lincoln Pride

Clubs and Activities: All clubs and student groups will continue to meet virtually, and students are currently building a Schoology group to facilitate club and athletic meetings. We encourage all students to get involved with student groups. A list of current clubs will be available on the LHS website before school starts, and we are working on the logistics of a club fair sometime the first week.

Athletics: To align with state and district guidelines, fall athletics have been postponed. Starting Dec 28th our traditional winter season will begin. Fall sports are scheduled to be played in March and April and spring sports will occur in May and June. Updates to athletics will be coming in late September and are dependent on the county "phase".

Support Lincoln & Spirit Gear

Spirit gear will be available to pick up at an upcoming Distribution Day and online for purchase on LHS website.

Show your Lincoln pride!
Purchased items will be available for pickup the week of Sept 14.
