Lead by example. Give blood. Impact our community.

The COVID-19 pandemic has rocked our community and left our public health system scrambling to ensure the safety of patients and the stability of our blood supply. Will you lead by example and be someone’s lifeline?

LINCOLN HIGH SCHOOL VIRTUAL DRIVE CAMPAIGN

We are challenging you to be a Life-Saving Hero and donate between December 20th – January 3rd at any Donor Center or Pop-Up and make your impact count. Make an appointment today by visiting https://dslnk.co/LincolnHS

Don’t forget to eat a substantial meal & hydrate before donation! Photo ID required. Permission forms required for minors.

For questions about eligibility or for more information about blood donation visit BloodworksNW.org or call 800-398-7888.

Bloodworks has implemented increased safety and social distancing measures in compliance with all local and state recommendations to ensure that the critical act of donation experience is as safe and pleasant as possible. All donors are required to wear masks or face coverings at their donation appointment. Please bring your own mask or face covering. If you do not have a face covering, resources for making your own mask are available on the CDC website. For more information, visit bloodworksnw.org/coronavirus.

Mention Lincoln High School or the code “699B” when you arrive to your appointment.
