*Requires completion of a full year of Chemistry (A&B).

If you have selected an AP course(s) please check the boxes and sign below:

☐ I understand that AP courses are rigorous and likely require homework each night and summer homework before the start of the school year.
☐ I understand that all AP students are expected to take the end-of-course exam. May enrollment in this course indicates my agreement to pay all applicable fees associated with taking the AP exam.
☐ I understand and agree that signing up for an AP course is a full year commitment and that I will not be able to drop the course mid-year regardless of the grade in the class.

ALL students check the box and sign below:

☐ I understand that course selection is not guaranteed placement, and that staff will do their best to place students in requested courses but that it is subject to course, teacher and scheduling availability.
